**New Email Notification Service for Treaty Visa (E-1/E-2) Cases**

US Consulate General Toronto is now offering lightning-fast notification of status changes in Treaty Visa cases. **We will send instant status notifications via email to all cases in which an email address is provided in block 23 of the DS-156 application form.**

With newly received cases, we will continue to fax or mail a copy of the Login Letter generated once your case is entered into the computer system. After this, **if an email address was provided on the DS-156, then no further correspondence will be faxed or mailed. Updates will be sent ONLY to the email address on file.**

Status notifications can only be sent to the email address indicated on the DS-156. No other addresses can be accepted. If you wish for your status notifications to be sent to a legal or other representative, you should place their email address in this space on the application form.

Contact email addresses can only be changed by submitting a new, signed form DS-156 to our office.

Please contact our office via email with any questions: [evisatoronto@state.gov](mailto:evisatoronto@state.gov).
